To whom it may concern,

The Jackson Youth Football and Cheerleading, Inc. is made up of over 700 boys and girls ages 5 through 15 years old that participate in Football and Cheerleading.

We provide the children a safe and competitive place to develop their sportsmanship and teamwork skills. This will help support a solid foundation for future development.

Providing this environment for our children is quite costly. Our organization relies on local businesses like you to help defray the tremendous cost of running a non-profit youth sports program. Some expenses include helmets, shoulder pads, reconditioning, utilities, insurances and capital improvements to our building and facility just to name a few. JYFC receives NO money from the Township or any other outside governmental agency.

Please take a minute to review the various types of sponsorships that we offer and remember that your donation will be used for the children of our community.

On behalf of Jackson Youth Football and Cheerleading, I would like to thank you in advance for your donation and support. If you have any questions or require any further information, please feel free to go to our website, www.jacksonjaguarsyfc.org and click on the Publicity/Fundraising link.

Respectfully,

Dean Pinto

JYFC President
